- Number Word Match 1 – 10

Travis the Train Learns Colors

For more teaching resources, visit
<http://www.PositivelyAutism.com/>

Instructions for use are on the last page of this document.

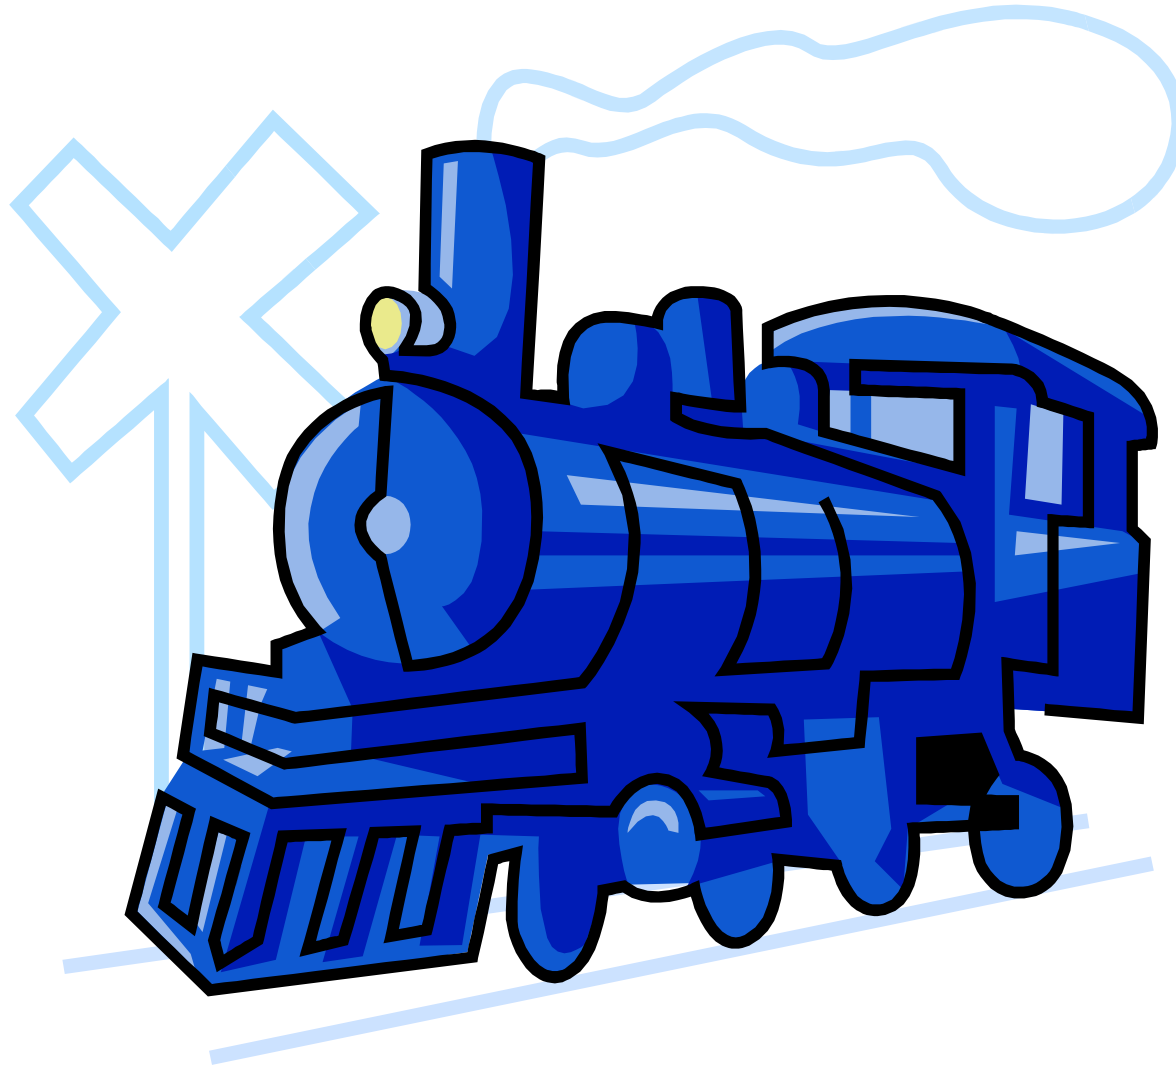

Travis the Train was excited. He was going to visit his friends.

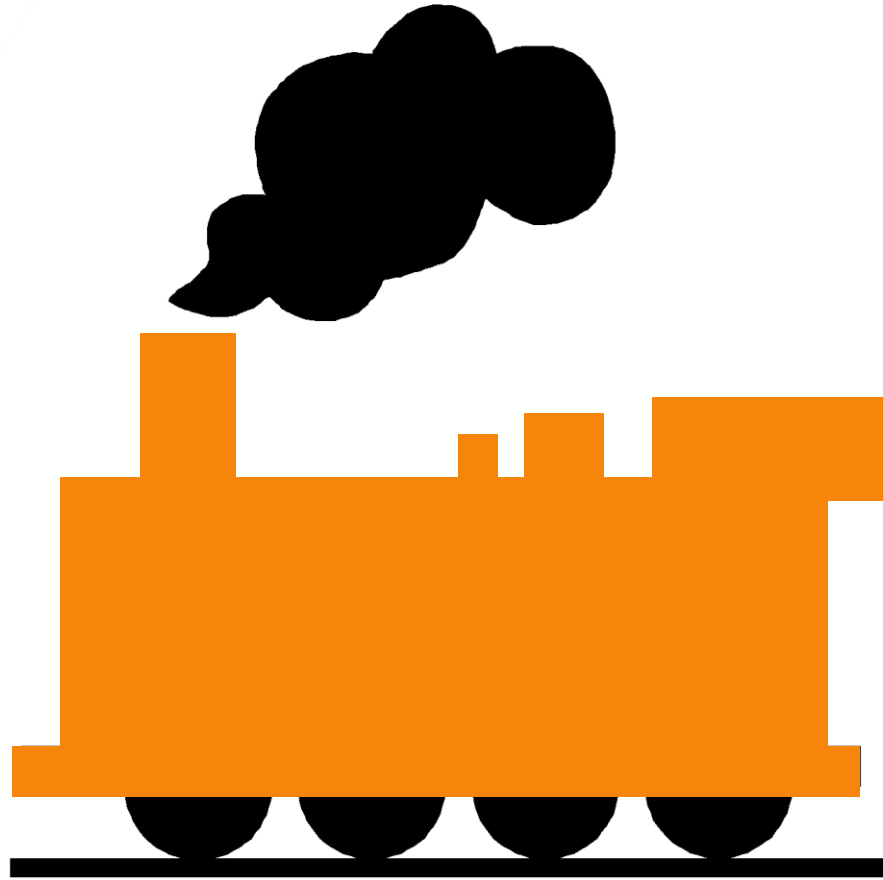

Travis saw a **red** train.

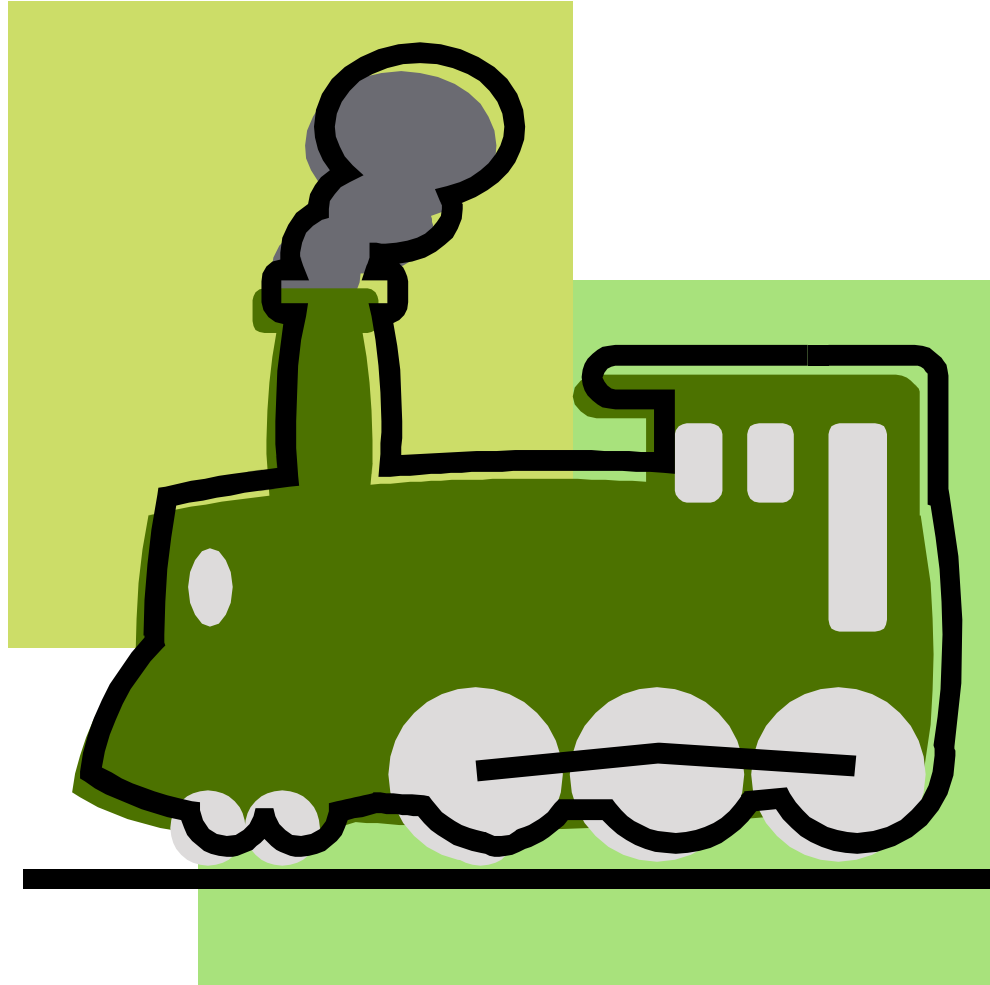

Travis saw a **blue** train engine.

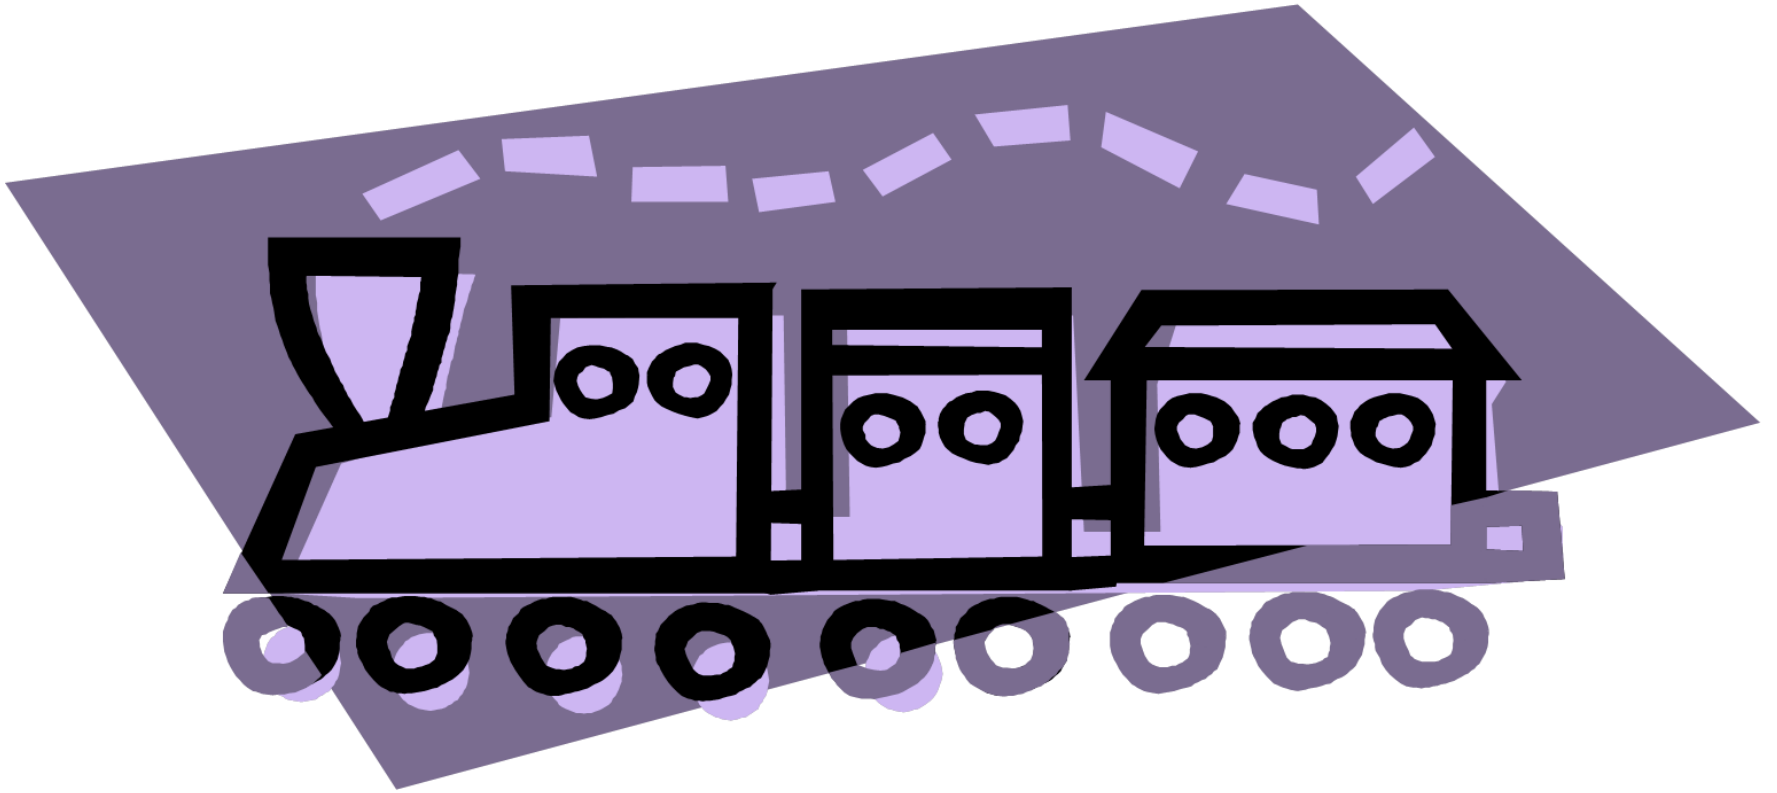

Travis saw an **orange** train.

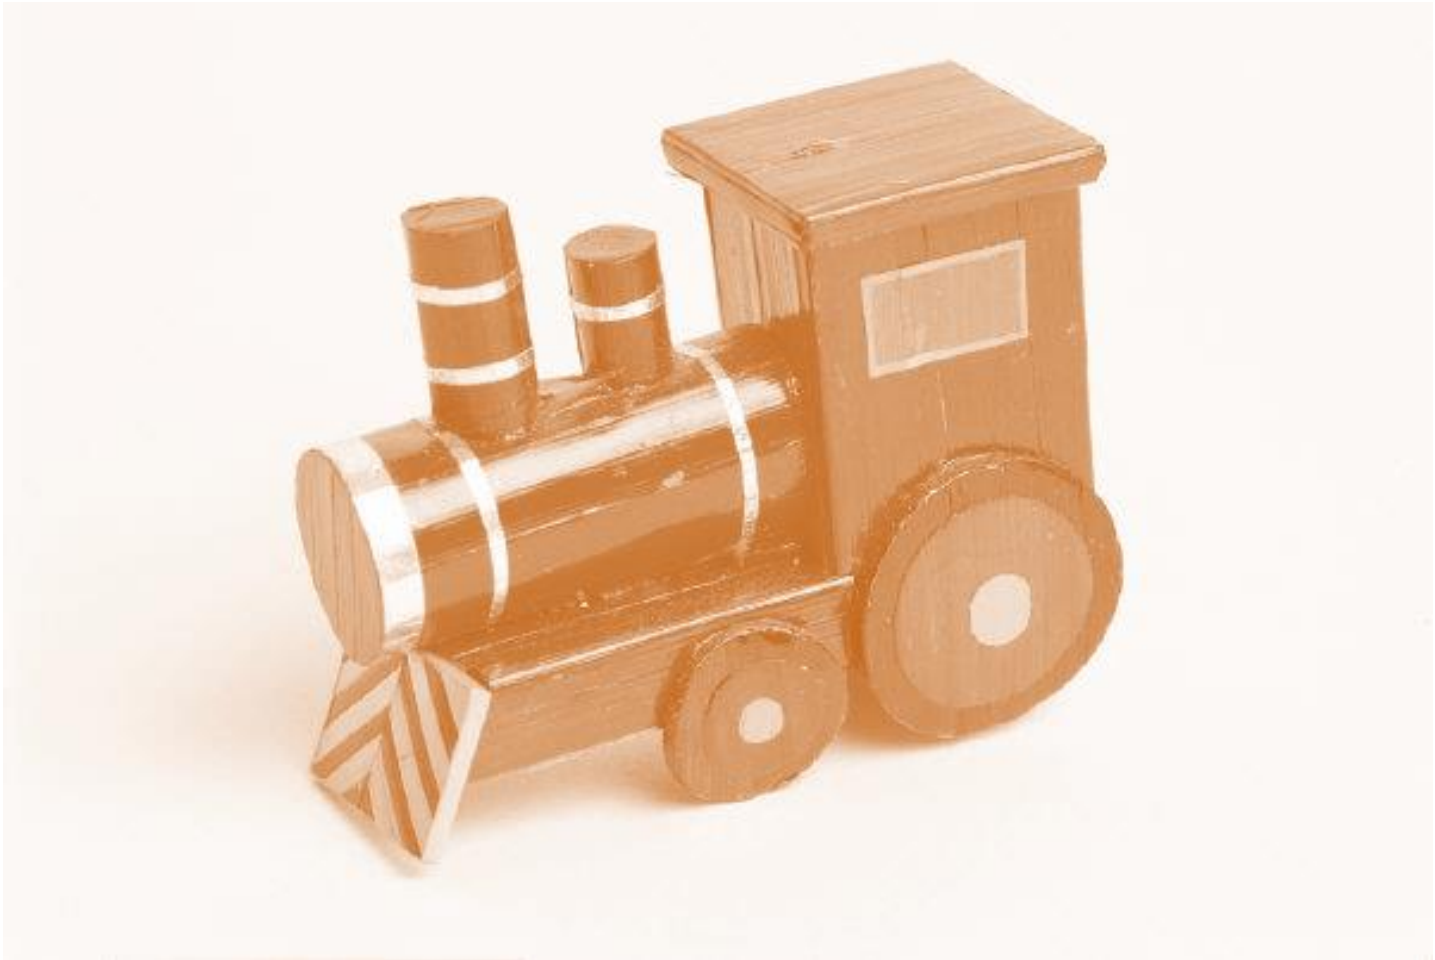

Travis saw a **green** train engine.

Travis saw a **purple** train.

Travis saw a **brown** train engine.

Travis saw a **black** train engine.

Travis saw a **yellow** train.

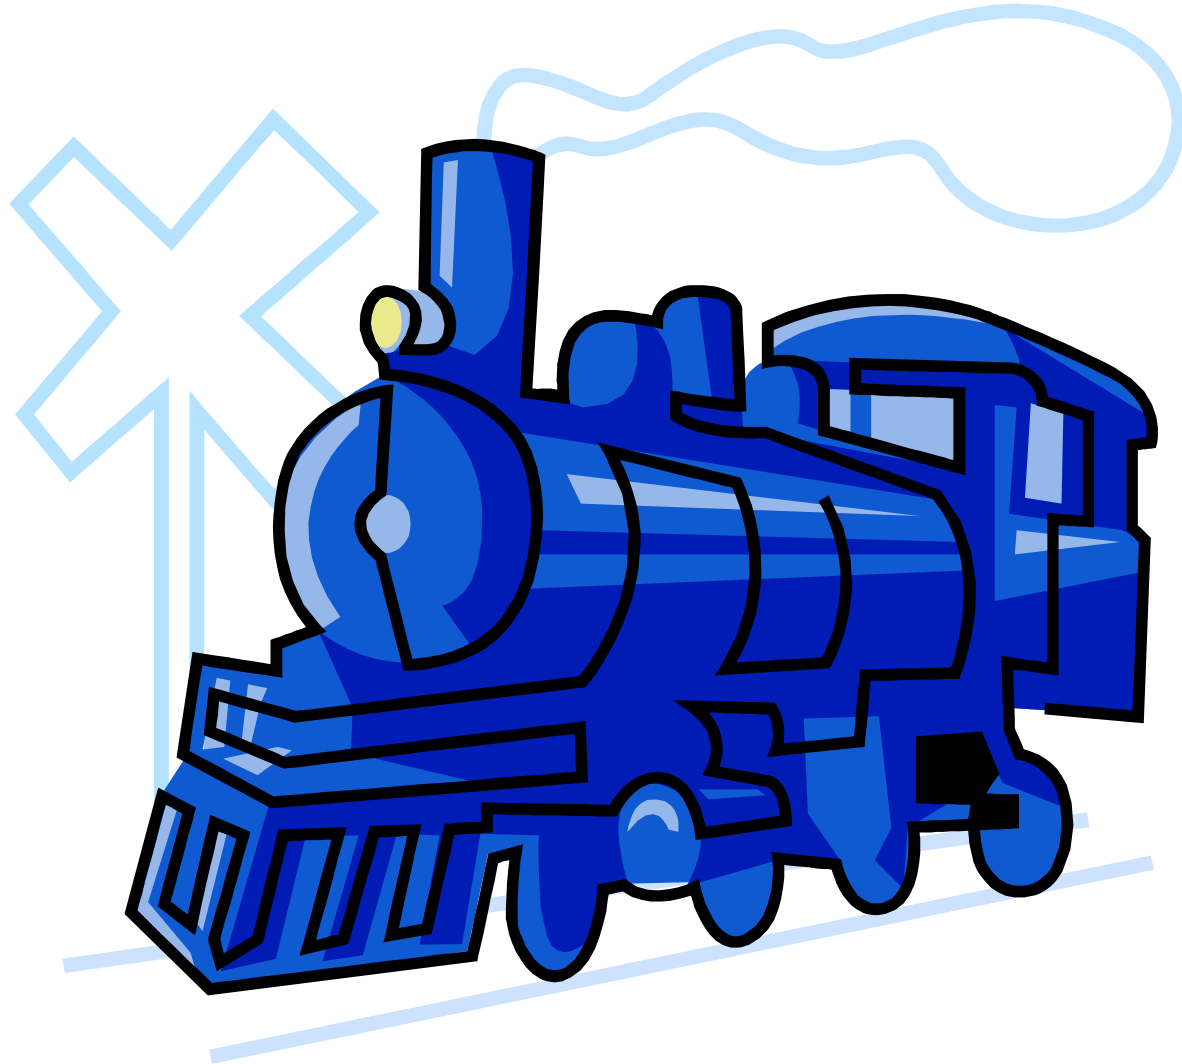

Travis saw a white train.

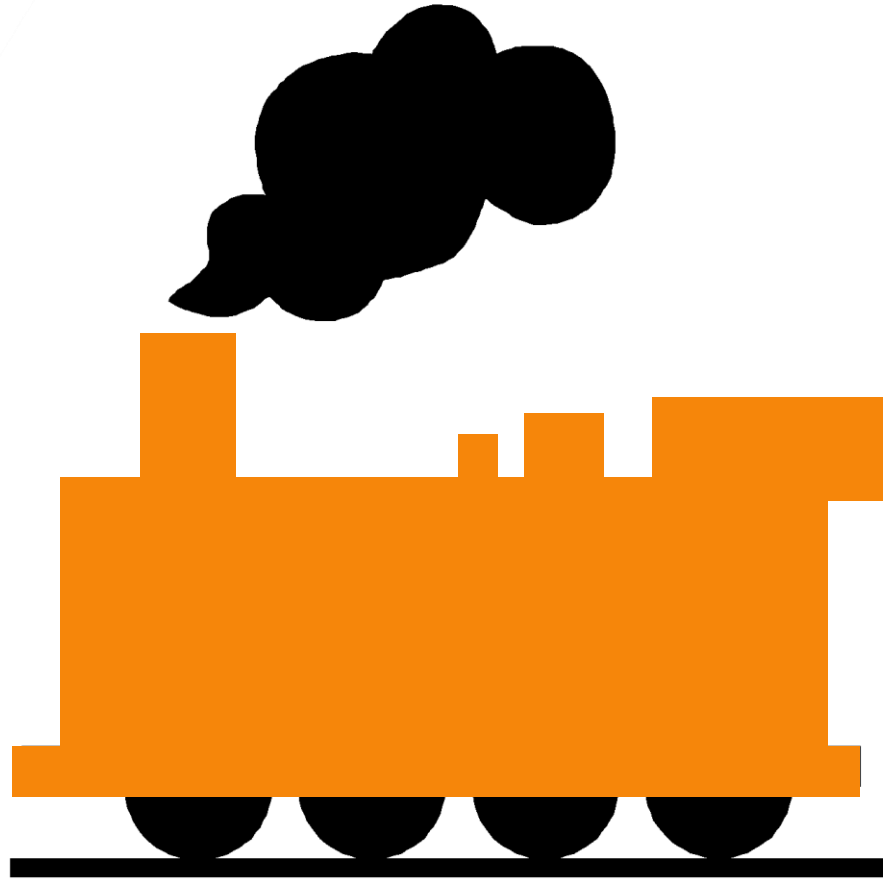

Help Travis the Train name the colors.

What color?

What color?

What color is the train?

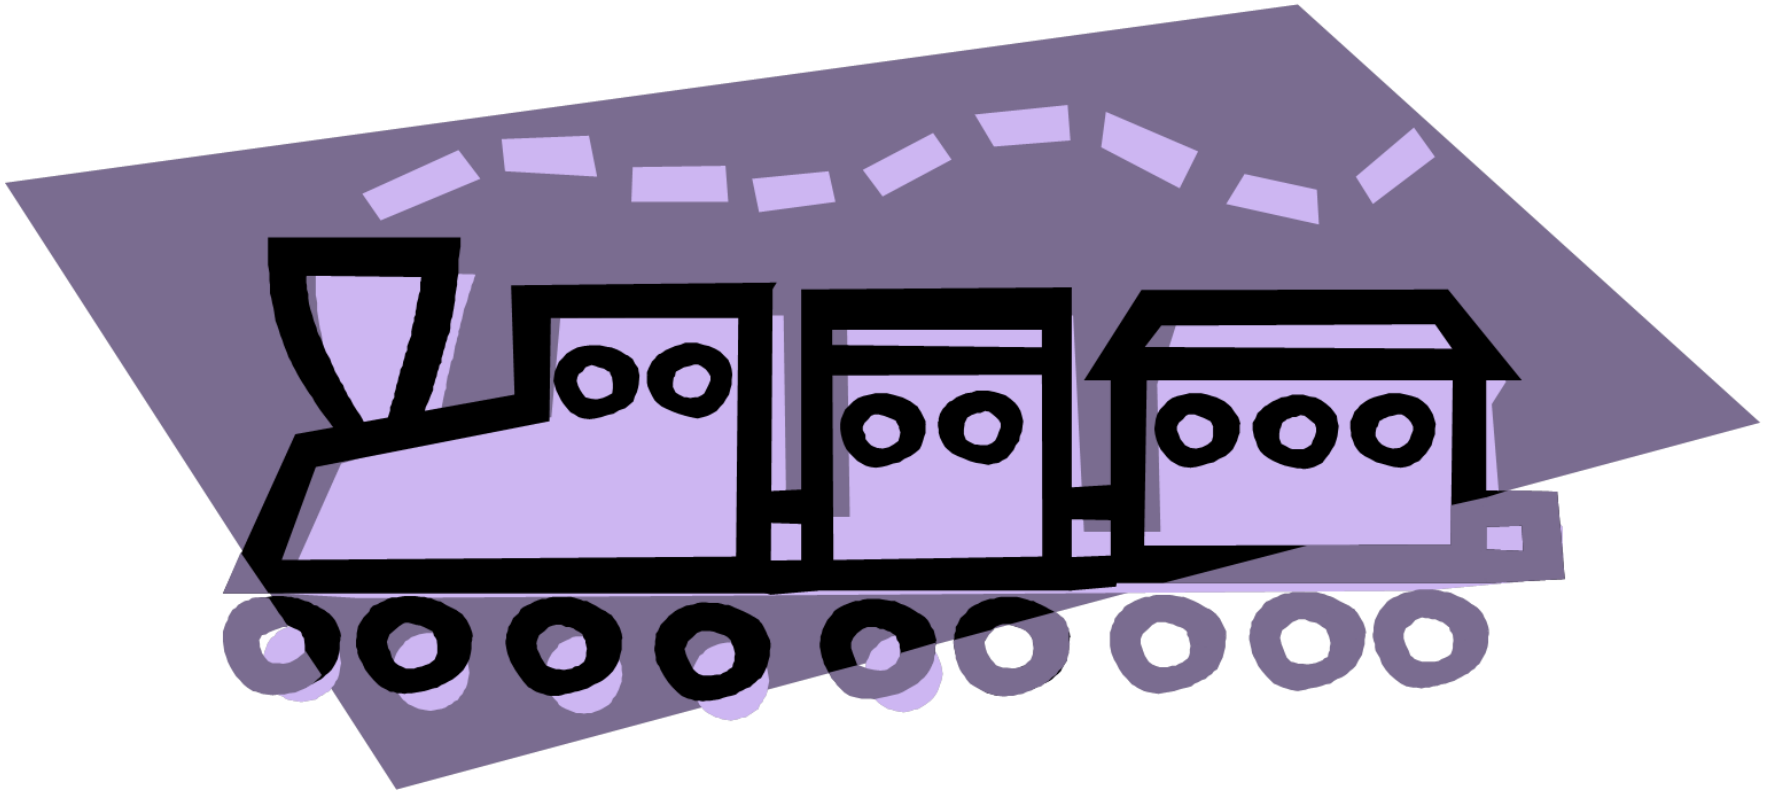

What color is the train engine?

What color is this?

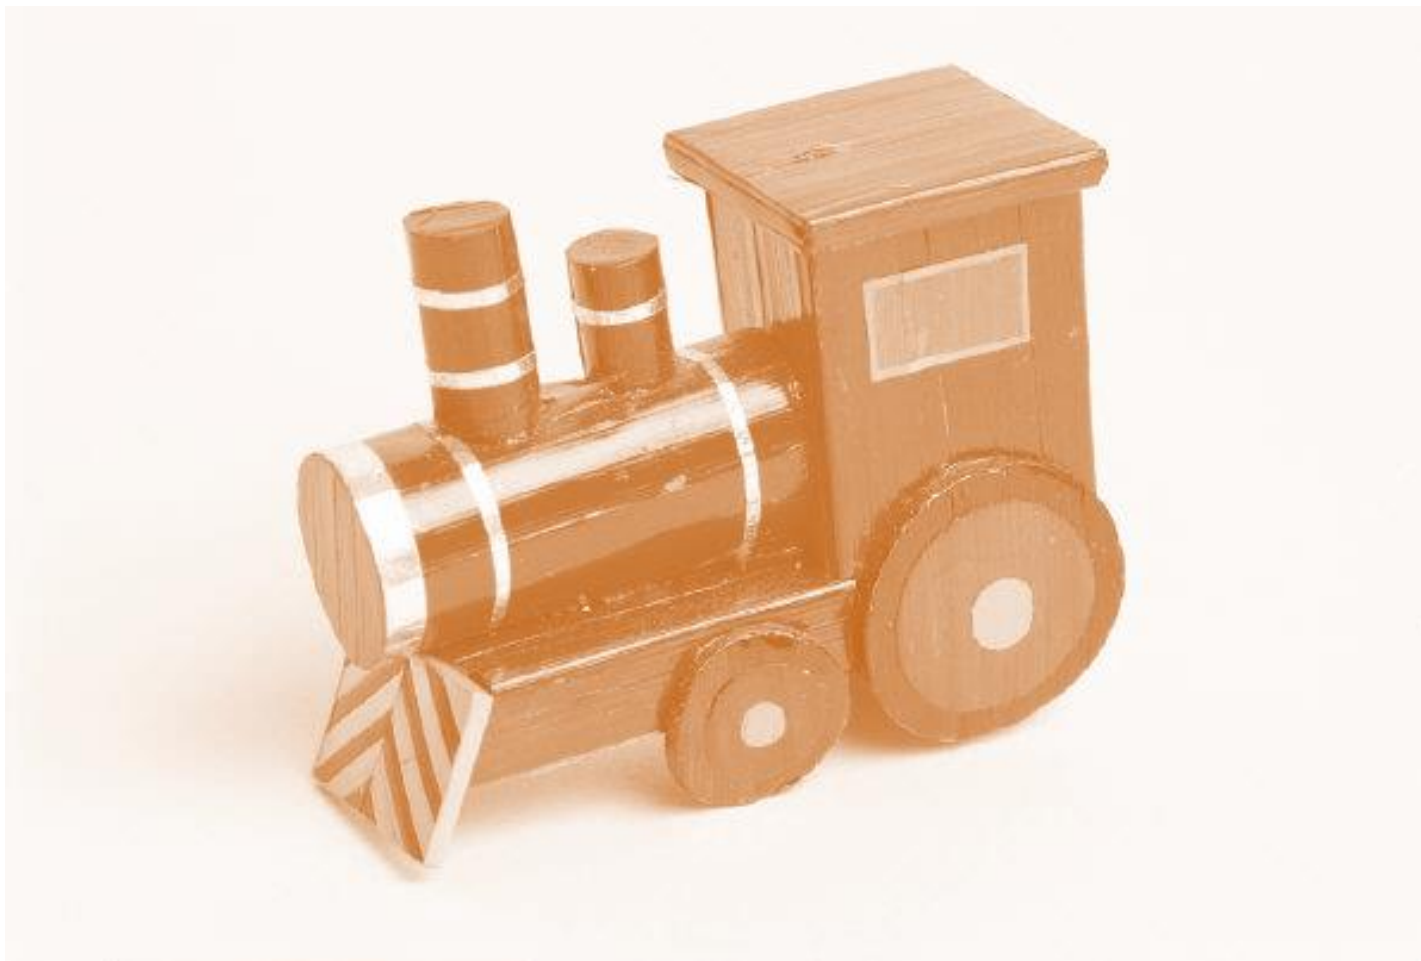

What color is it?

What color is the train?

What color is this train engine?

Great Job!

How to Use

- You can either print the pages out, or read them to the student on a computer, Smartphone, or tablet (such as iPad) for. My students seem to enjoy viewing it on a computer, phone, or tablet, but do whatever works best for your student.
- This book is part of a learning unit on colors. You can find the rest of the colors activities here:
