Pieces for Spooky Comparisons

Students can write their answers on the worksheet, or use the cutouts below. It may make the activity more clear to children with autism if they have a tangible number or word to place in the blank spaces. Each section below contains enough answer choices for one worksheet.

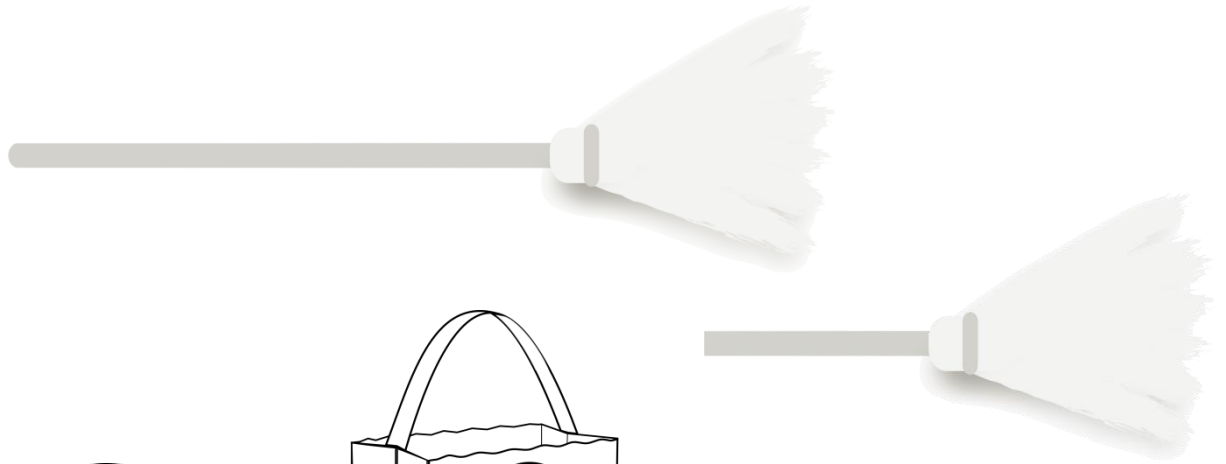

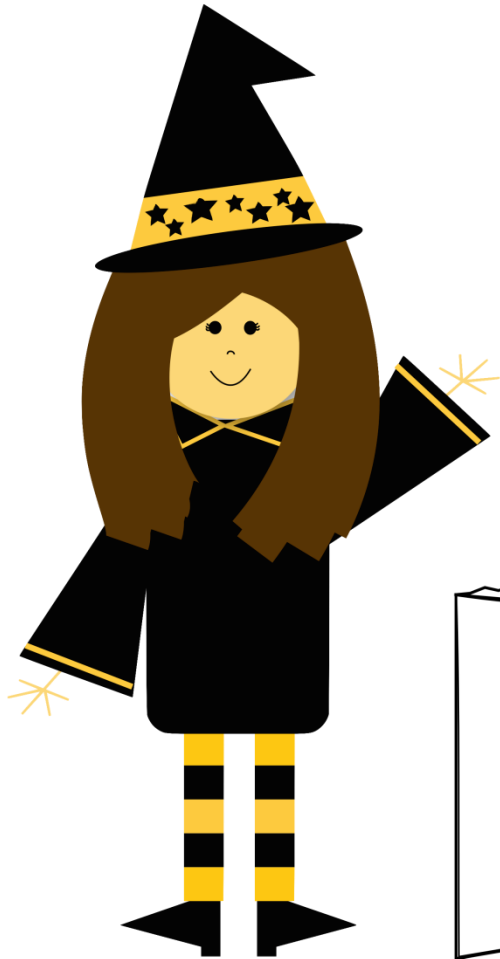

most	least	most	least	most	least		
1	2	3	5	7	8	8	9

most	least	most	least	most	least		
1	2	3	5	7	8	8	9

most	least	most	least	most	least		
1	2	3	5	7	8	8	9

most	least	most	least	most	least		
1	2	3	5	7	8	8	9

Claire is getting ready for Halloween. She wants the tallest pumpkin, the longest broom, and the biggest trick-or-treat sack. Circle the items she wants.
