

_____’s Potty Points!

						Attach picture of reward here.
--	--	--	--	--	--	--------------------------------

How to use: Cut this sheet in half. The top half will be the chart. Cut out each of the “Potty” icons at the bottom. Each time the child uses the potty and washes hands, he or she puts one “potty point” on the chart. When six spaces are filled, he or she gets the reward pictured in the last box.
