Chug Chug Chug. Puff Puff Puff. Travis
the train drove happily over the tracks.

It began to rain.

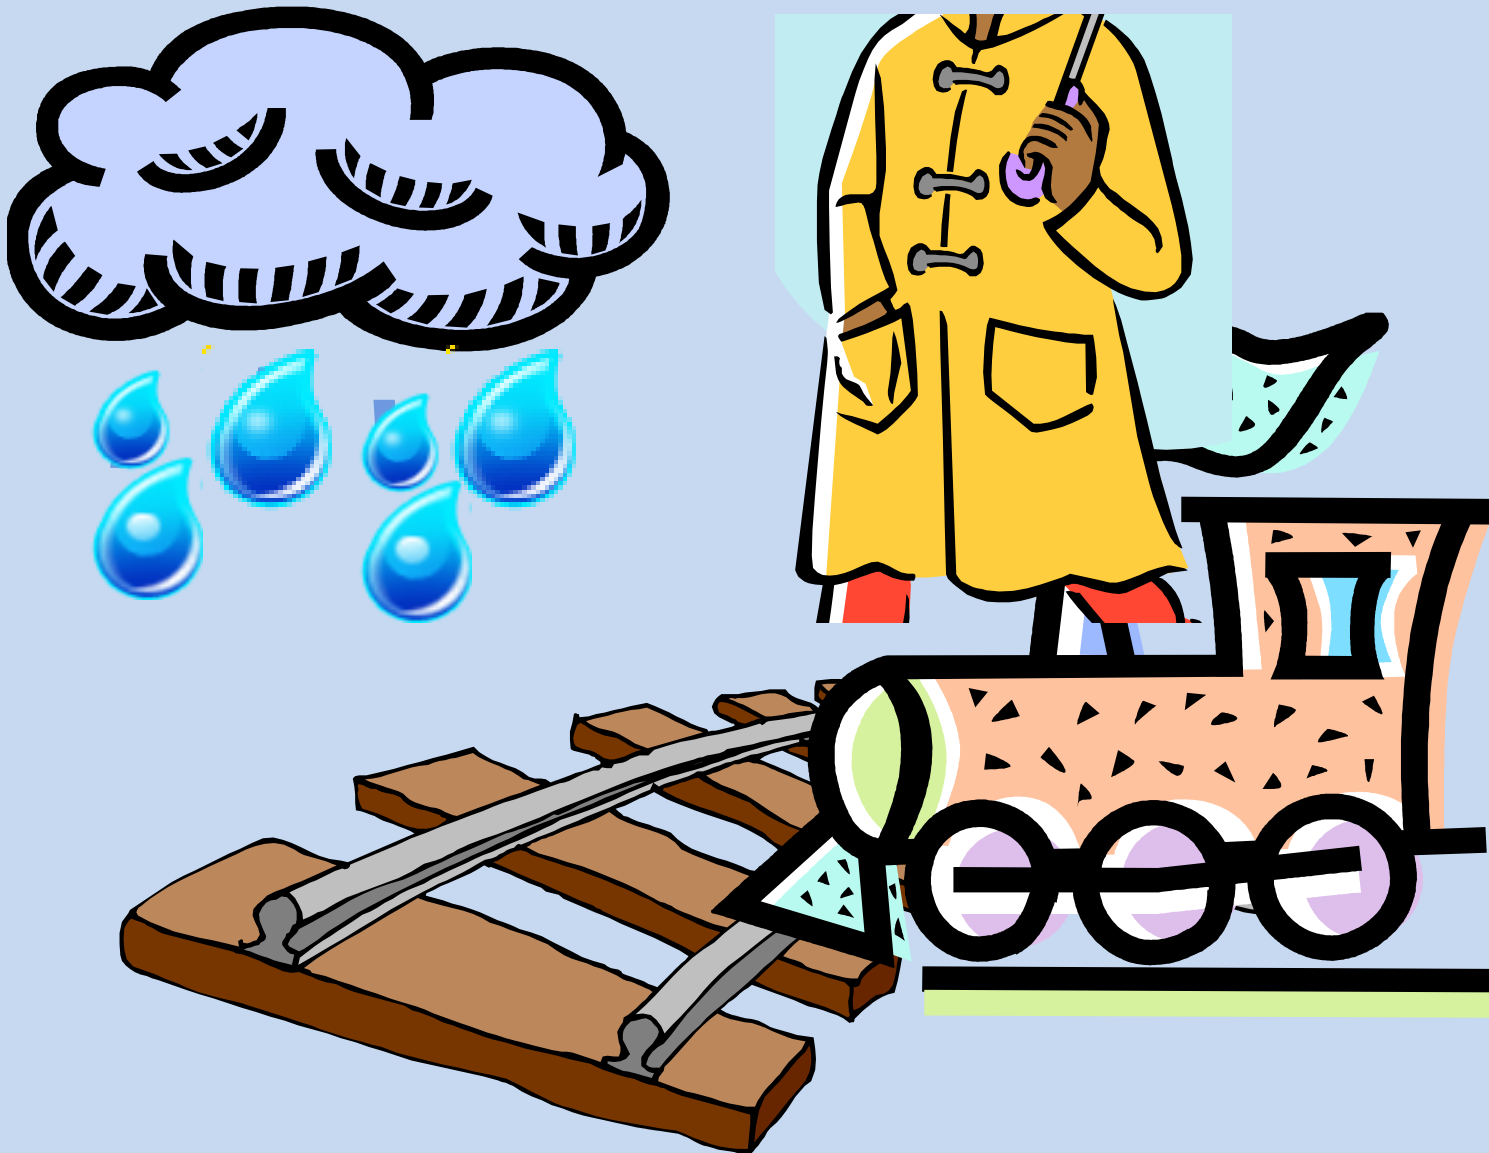

What do we need when it rains?

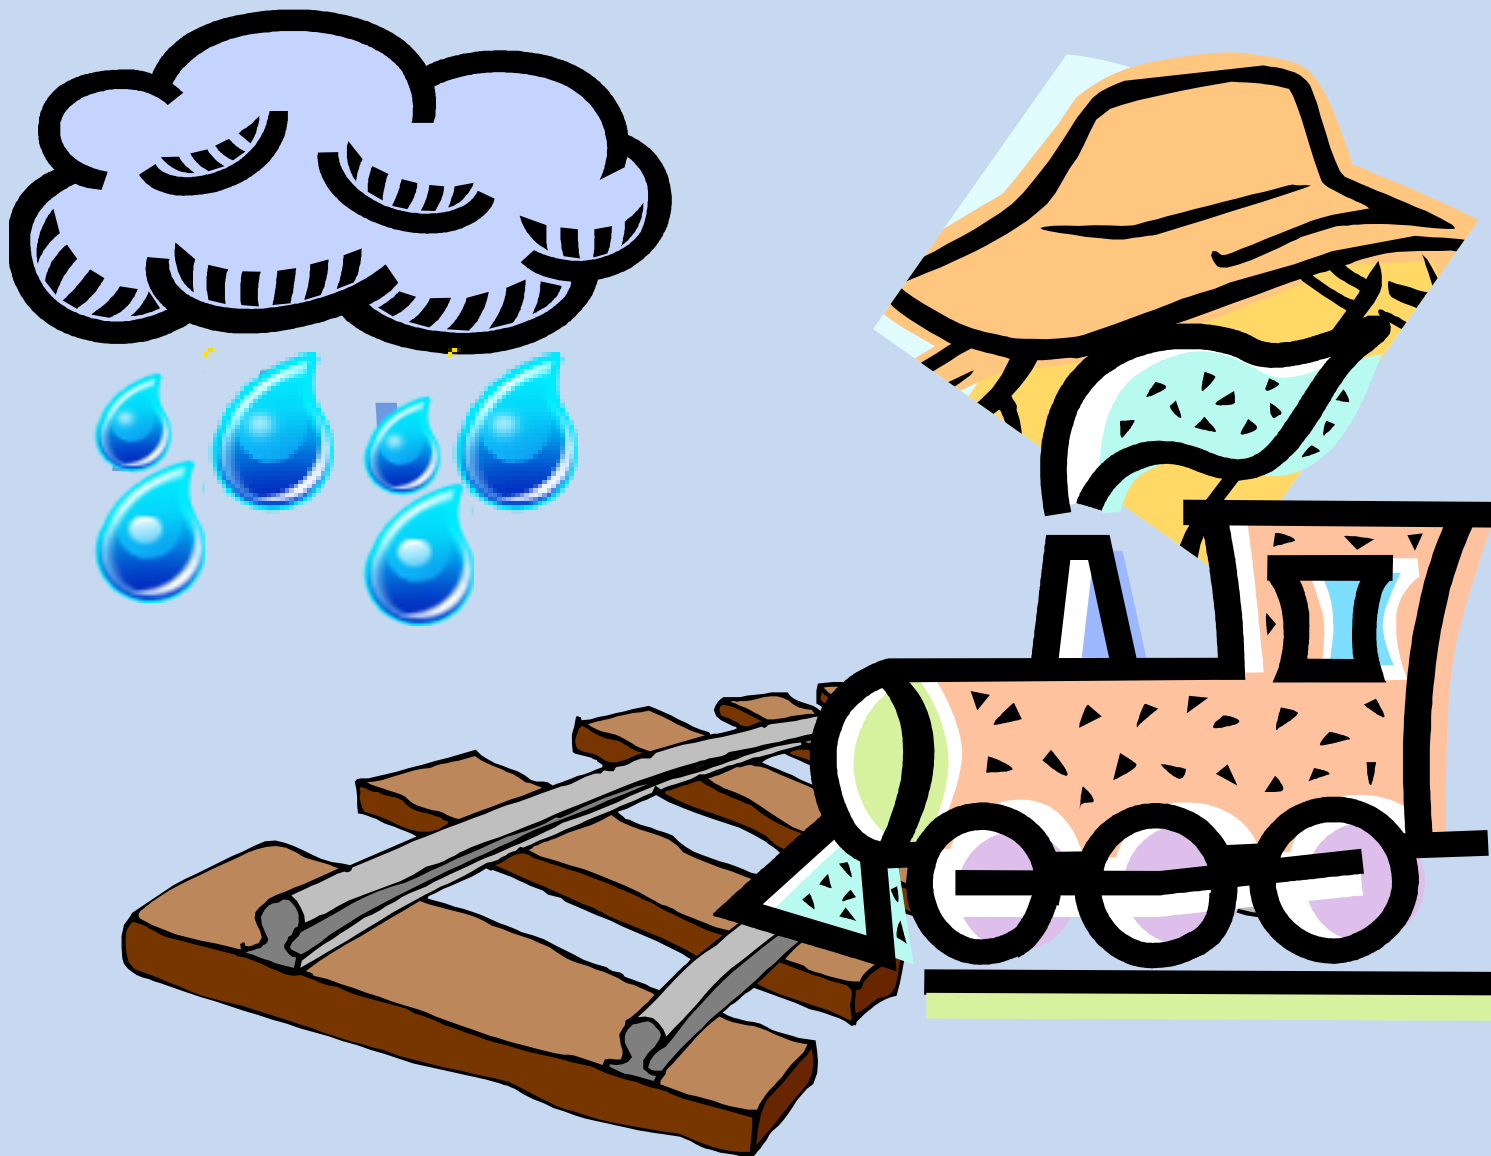

We can use an umbrella.

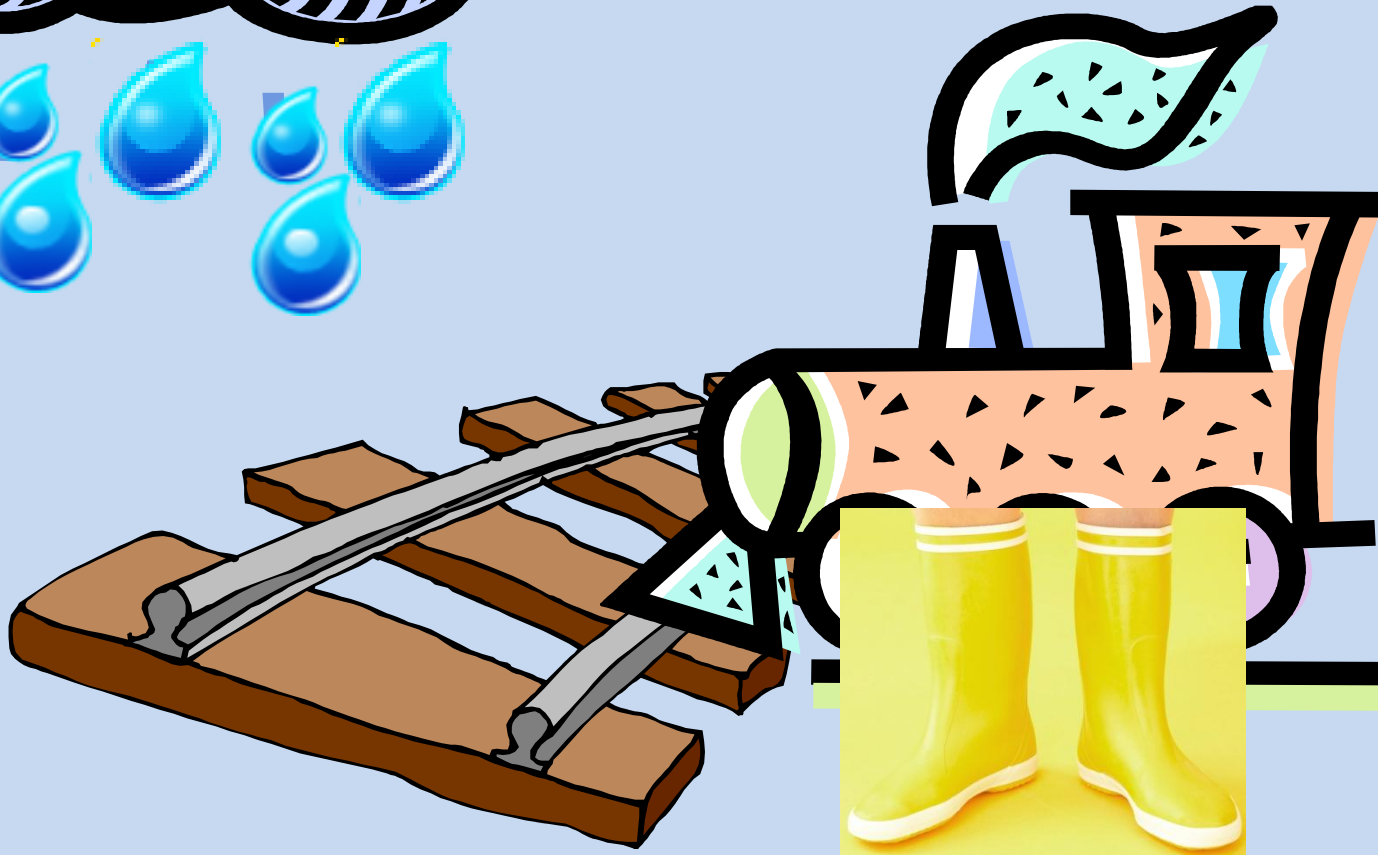

We can wear a raincoat.

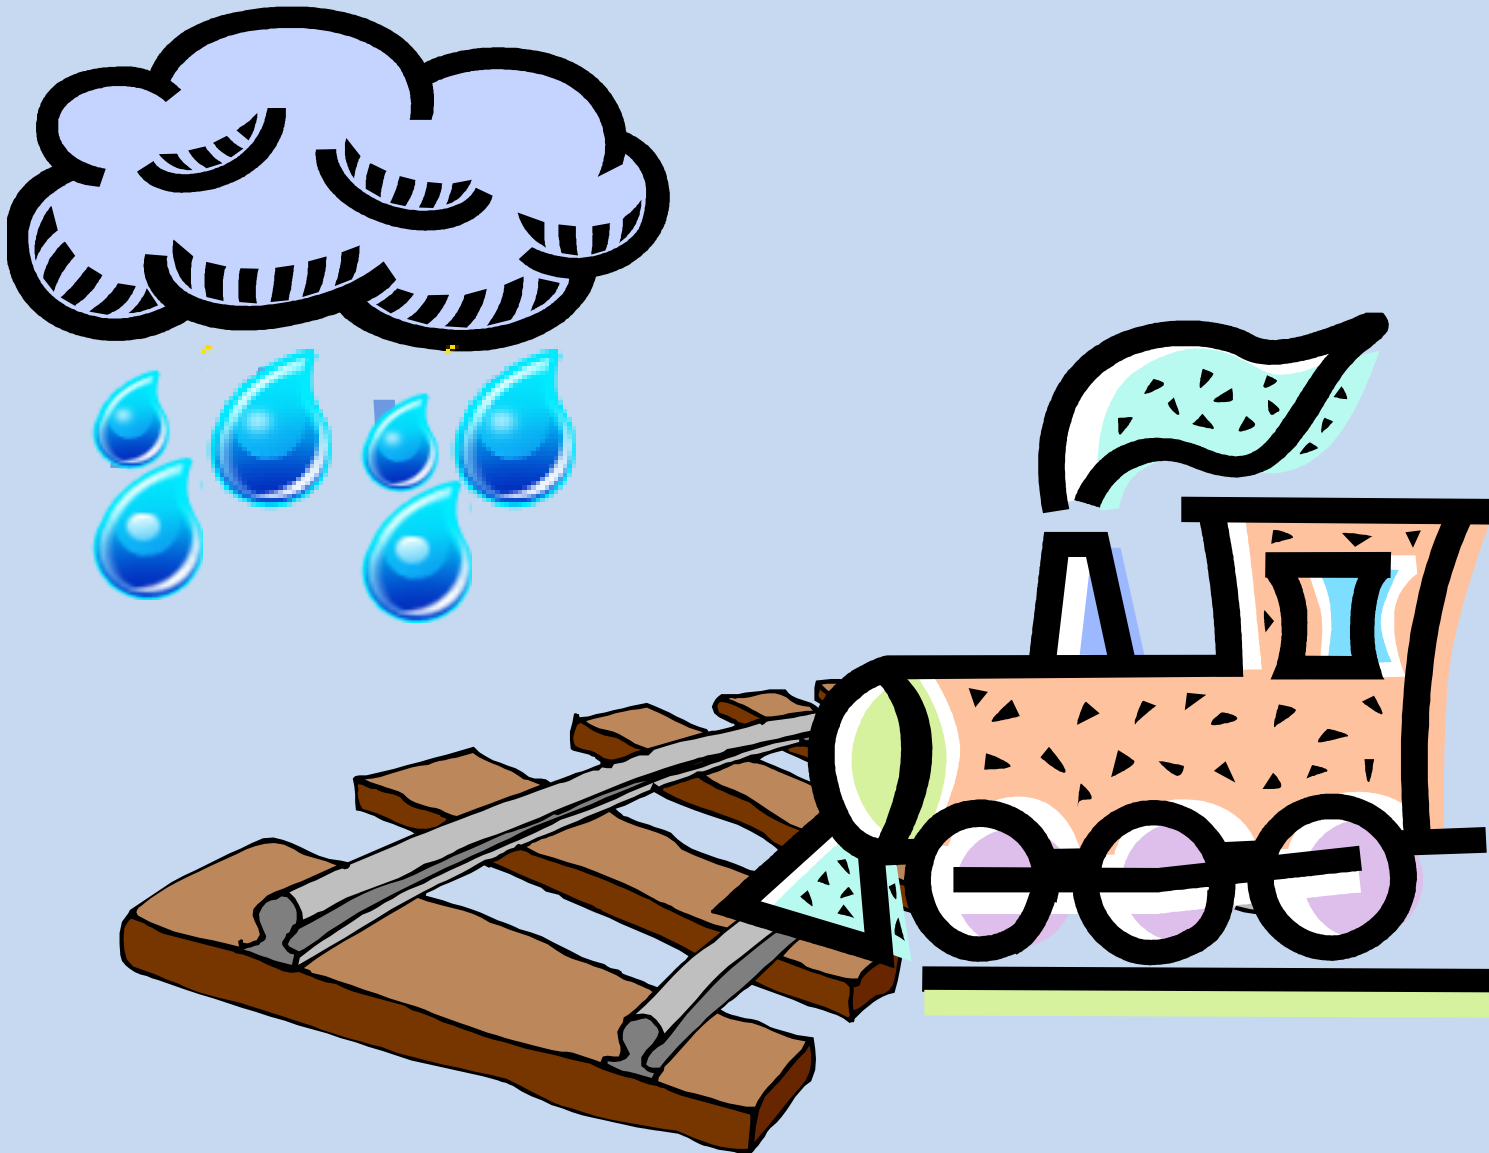

We can wear a rain hat.

We can wear rain boots.

Let's look at some train passengers.

Can you find the rain hat?

Where are the rain boots?

Find the raincoat.

Where's the umbrella?

Great Job!

The End
