

Playing “Pin the Tail on the Donkey”

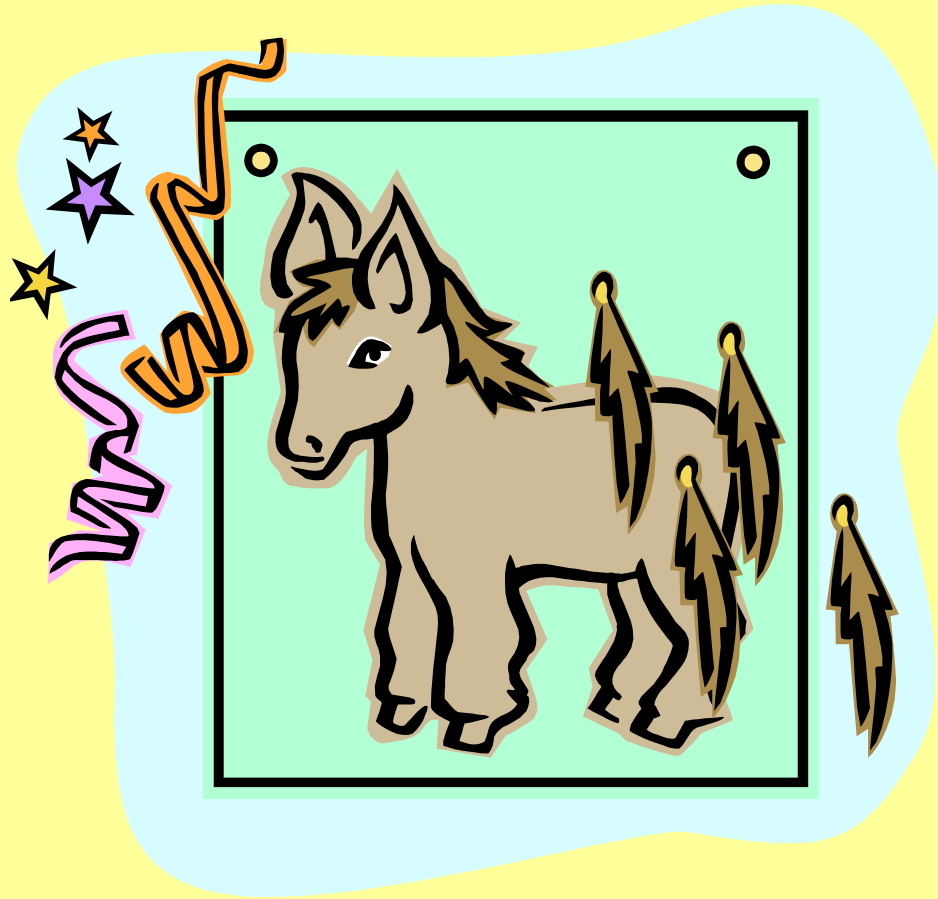

For more teaching resources, visit

<http://www.PositivelyAutism.com/>

Pin the Tail on the donkey is a game kids might play at a party.

There is a big picture of a donkey on the wall.

Each kid gets a pretend donkey tail to put on the donkey picture.

To make it fun, the kids will wear blindfolds when they put on the tail.

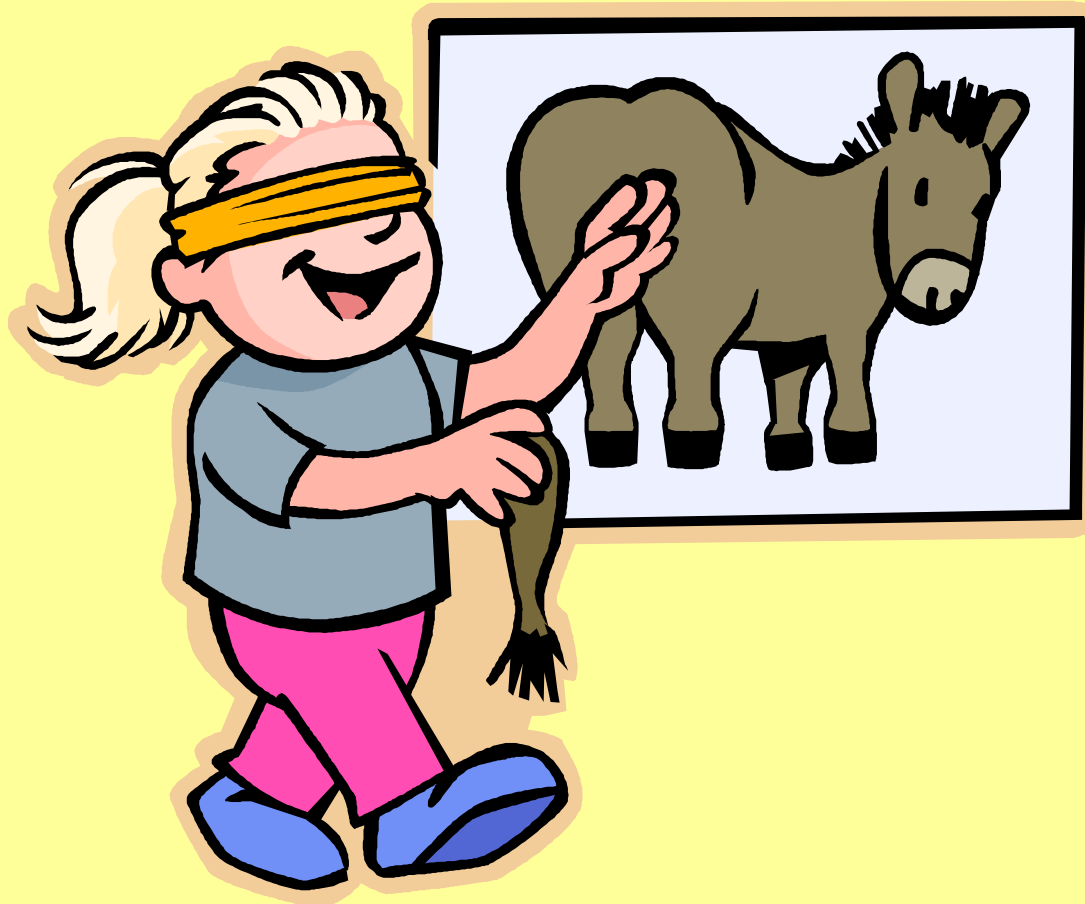

On my turn, a friend or adult will put a blindfold over my eyes.

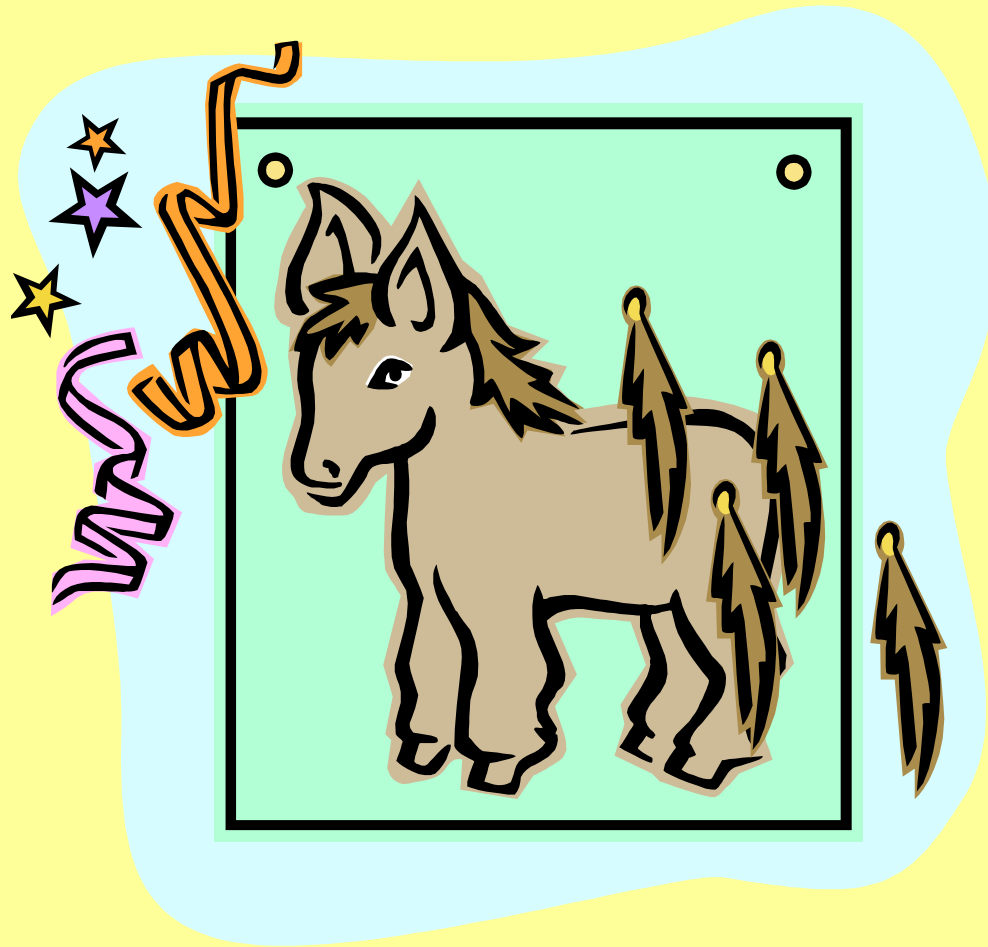

They will spin or turn me around.

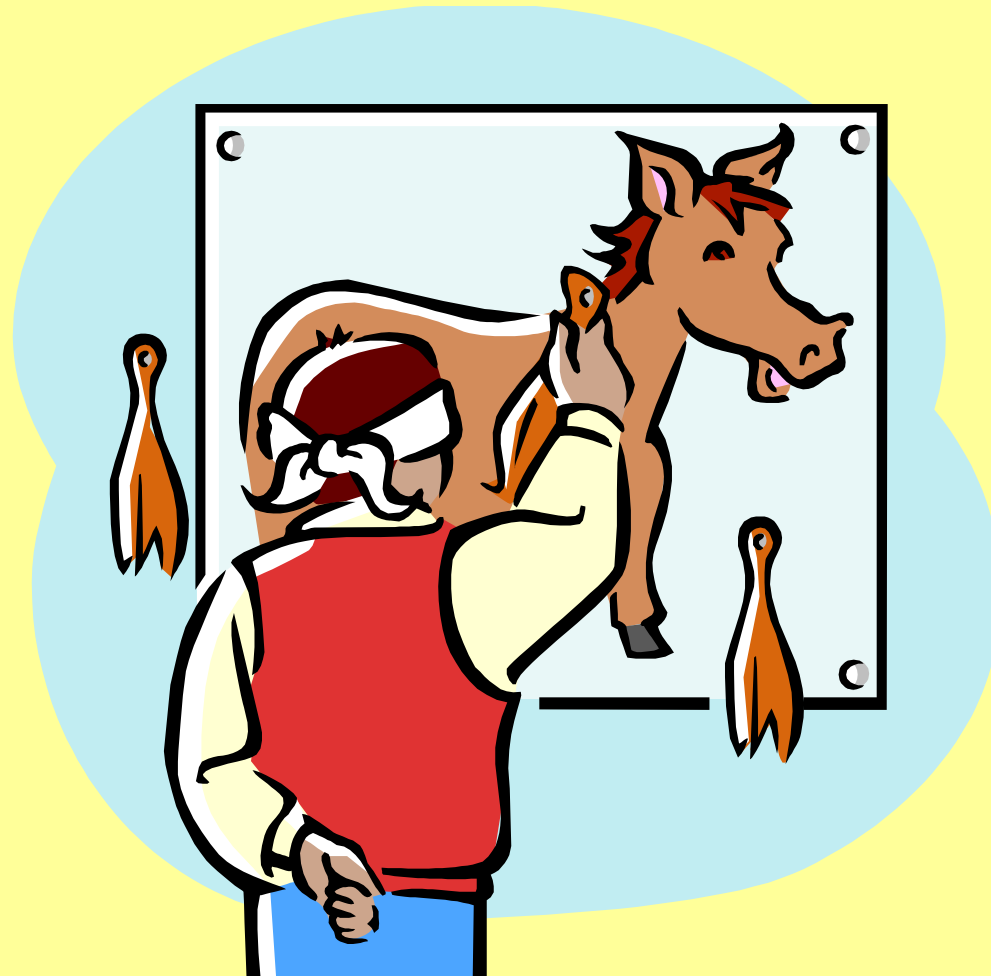

I will leave the blindfold over my eyes,
and try to put the tail on the donkey.

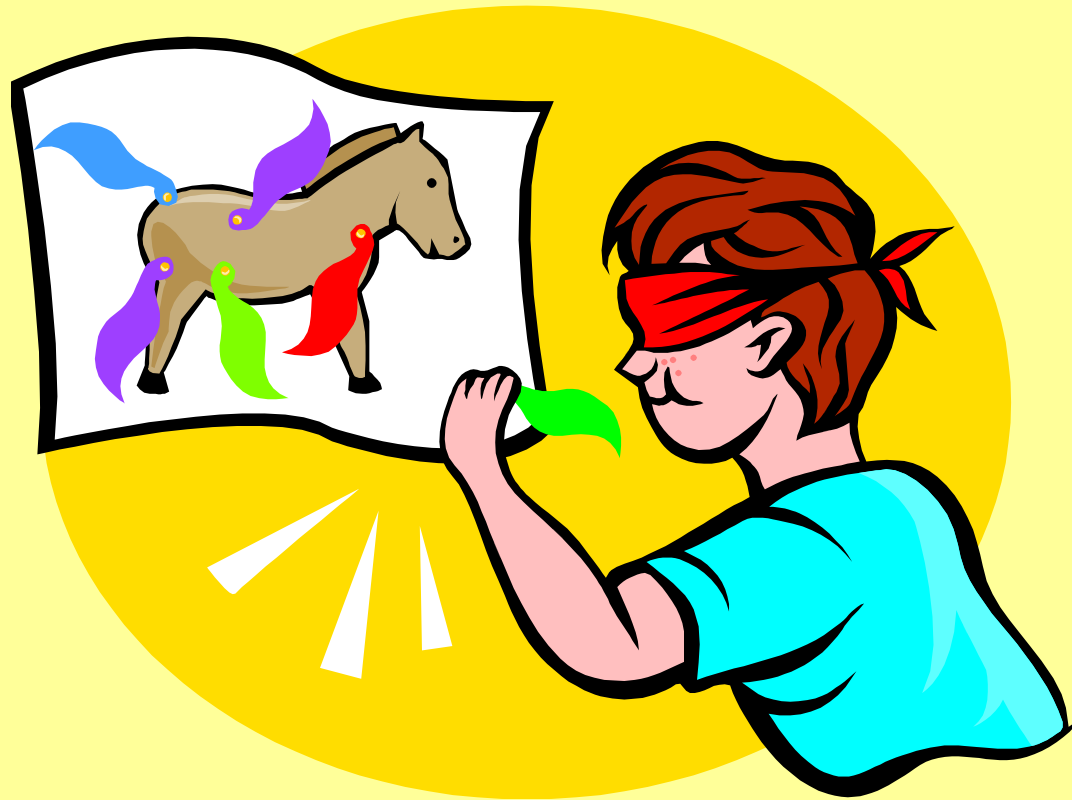

After I put my tail on the donkey, I can take off my blindfold to see where it is.

If it is not in the right place, this is okay. It is supposed to look funny.

I will try to leave my tail on the donkey
and watch the other kids take a turn.

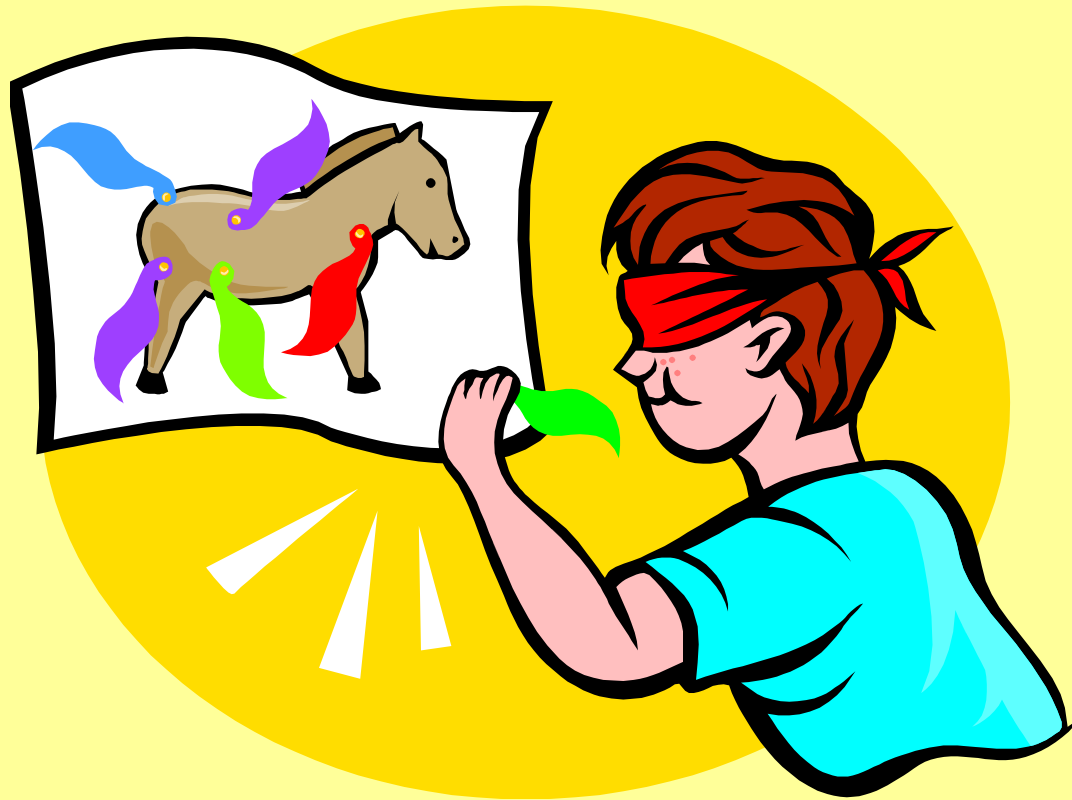

The kid who puts a tail closest is the winner.

I can say, "Great job!" to the winner.

I am learning about playing Pin the Tail
on the Donkey!
