How to Use

- You can either print the pages out, or show them to the student on a computer, Smartphone, or tablet (such as iPad) for vocabulary development. My students seem to enjoy viewing it on a computer, phone, or tablet, but do whatever works best for your student.
- These flashcards may be used to help a child become familiar with the words and activities associated with birthday parties.
- This activity is part of a series of activities about birthday parties. You can find the rest of the birthday party activities here:
